Stationary Engineer 2

\$21.69- \$24.53 (Range 48G) with Great Benefits!

Agency Information

The Department of Corrections is seeking highly motivated and qualified individual as a On-Call Stationary Engineer 2 located at McNeil Island Corrections Center in Steilacoom, Washington.

Agency Profile:

The Department of Corrections, as a partner in the criminal justice system, enhances public safety, administers criminal sanctions and programs in accordance with the law, and provides leadership for the future of corrections in Washington State.

The mission of DOC is to improve Public Safety.

DOC offers:

- > Hundreds of rewarding and exciting careers
- > Flexible schedules
- > Comprehensive compensation packages
- > Training and development opportunities
- > Tuition reimbursement
- > The fulfillment of public service

The Department consists of the Office of the Secretary, Prisons Division, Community Corrections Division, Government, Community Relations & Regulatory Compliance Division, Administrative Services Division, Offender Treatment & Re-Entry Programs Division, and Health Services Department. The Department employs over 8,100 staff and has a biennial budget of approximately \$1.8 billion.

For additional information about the Department of Corrections, please visit www.doc.wa.gov.

Please note: In order to be considered for this position, you must complete the entire Application Wizard. For further details please refer to the "Application Process" section of this recruitment.

Duties

- > Operate three high-pressure fire tube boilers rated at 27, 640 lbs of steam per hour;
- > Operate, repair, and maintain feed-water, transfer, and condensate pumps
- > Maintain and repair multiple heating boilers, domestic hot water tanks and their circulating pumps around the island;
- > Responsible for water softeners, the chemical treatment of boilers and the condensate return system;
- > Operates the fuel oil delivery truck to refill remote tanks as needed;
- > Perform daily inspections of fuel oil lines and make repairs as necessary;
- > Calibrate and/or repair miscellaneous control system devices such draft gauges, chart recorders, flow and transmitters;
- > Perform weekly, monthly, quarterly preventative maintenance on boilers and related equipment including seven (7) high pressure domestic hot water tanks;
- > Confer with Stationary Engineer 3 regarding maintenance and operational issues and recommends repairs;
- > Supervise and instruct a crew of offenders in proper operating and maintenance methods and procedures;
- > Responsible for the operation and repairs of the Siemens Environmental Energy Management System for all island buildings on the system includes but is not limited to adjustment of temperature, cold starting panels, manual adjustments of dampers, belt adjustments, replacement of controllers and sensors.

Qualifications

Required Qualifications:

- > Three years of experience in the operation, maintenance and/or repair of stationary or marine high pressure boilers and heating systems; OR
- > Certificate of completion of an advanced Stationary Engineer course from an accredited vocational/technical school or community college and two years of experience in the operation, maintenance and/or repair of stationary or marine high pressure boilers and heating systems; OR
- > One year of state service as a Stationary Engineer 1.
- > A municipal steam engineer's license may be required.

NOTE: Designations of boilers shall be as defined in Washington Boilers and Unfired Pressure Vessels Law.

Desirable Qualifications:

- > Seattle Class 1, Class 2, or Class 3 High pressure steam license; and/or
- > Tacoma Class 1 or Class 2 High Pressure steam license; and/or
- > Completion of a Boiler Tech school from the U.S. Navy or a Maritime College;
- > Class B CDL with air brake and tanker.

Special Notes

- > All Department of Corrections' employees are fingerprinted for a criminal history background check.
- > Employees work with offenders in a potentially hazardous setting. Please consider this when deciding whether to apply.
- > This position is in the Union Shop that requires employees to become members within thirty (30) days of employment.
- > All DOC facilities are smoke and/or tobacco free.

Application Process:

In order to be considered for this position, you must complete the entire Application Wizard, however, completion of the Diversity Profile Questionnaire is optional. To ensure you complete the entire application, once in the Application Wizard, scroll to the right of the page and use the arrows to go to additional tabs. Remember to click on "Save" at the bottom of each tab to ensure your entries are saved. Be sure to also unlock your profile and keep your email address and other contact information current. For further information about managing your application and profile, please refer to "Manage Your Job Applications and Profile" link from the www.careers.wa.gov website.

Tuberculosis is a priority health issue for Department of Corrections' employees. Periodic skin tests are required for all health care providers and those who transport known/suspected Tuberculosis patients. Testing is voluntary for all other employees. When positive tests result, further testing and treatment may also be required. Employment is not contingent upon test results.
